

**Spring meeting of the Royal Belgian Society
for Ear, Nose, Throat, Head and Neck Surgery**

April 29, 2023

ABSTRACT INSTRUCTIONS

1. Abstracts should be submitted in English.
2. Abstracts must be informative. Statements such as “our findings and results will be discussed ...” are not acceptable and may lead to rejection.
3. The length of the title is restricted to 200 characters.
4. Provide all authors names (e.g. P. Janssens, J. Dubois), institutions, city, country. Underline the presenting author’s name. Omit titles, degrees. Do not use capitals for title and author’s names.
5. Organize the body of the abstract as follows and include these headings:

*Introduction and aim: Material and methods: Results:
Conclusions:*

For case reports replace “Material and methods, Results” by “Case report”.

6. Simple tables and graphs may be included, but only if they fit within one page A4.
7. Single space typing; Limit the length of the abstract body to 300 words.

The abstract should be submitted electronically to the secretarial office: secretary@orl-nko.be, to the president 2023 mdefrere@chuliege.be. Clearly indicate all the requested information and send the abstract as an attached Word file.

The deadline for the abstract is **March 6th 2023**. Abstracts arriving after March 7th 2023 cannot be considered for presentation.

The abstract format is as following:

- Title: maximum 2 lines, no capitals,
