RBS Lecturer Award in Laryngology, Head and Neck Pathology

Dear Colleagues,

It is my honor and pleasure to invite you to the Spring Meeting of the Royal Belgian Society of Oto-Rhino-Laryngology, Head and Neck Surgery that will take place in Brussels on April 29 2023.

As usual, our young interns will share an interesting program including all aspects of our specialty: otology & audiology, rhinology, laryngology and head & neck surgery.

The best presentations in Otology, Rhinology and Head and Neck as well as the best poster will be awarded by the Society.

The “best bone” from the temporal bone contest will also be awarded.

We hope this program will please you.

Looking forward to meeting you soon,
Best regards,

Philippe LEFEBVRE
RBS ORL President

Venue

The Spring Meeting 2023 of the Royal Belgian Society of Oto-Rhino-Laryngology, Head and Neck Surgery will take place on April 29, 2023 at the The DoubleTree by Hilton Hotel, Brussels, Belgium.

Address: DoubleTree by Hilton Hotel
Rue Gineste 3
1210 Brussels

How to reach the DoubleTree Hotel ?

This hotel is located between the Botanical Gardens (Kruidtuin/Botanique) and the Rogier square (Place Rogier/Rogierplein), and easily accessible by public transport or by car.

By Public transportation:

Brussel Noord/Gare du Nord is the closest train station, being only a 6-minute walk from the hotel.

Leave Brussels North train Station in the South direction.

It is about a 6-minute walk to the hotel if you take the back exit into rue de Brabant, and walk it down until you see the Rue du Gineste/Ginestestraat on your right.

Another option is to walk down the Rue du Progrès until the square Rogier and you will see the hotel on your left-hand side.

This is the back entrance and may be closed during large events. In this case, take a walk around the block and come in via the front door.

By Car:

Because the hotel is situated on the Brussels inner Ring, so it is very easily reachable by car. When entering Brussels follow Direction: "Brussels Centre", exit Botanical Gardens/Jardins Botaniques/Kruidtuin.

You will find the hotel situated between the Botanical Gardens and Place Rogier.

Parking facilities:

There are 5 public parking spaces in the immediate area, of which the Parking Rogier and Parking Botanique are the closest.

'Parking Rogier' is a 2-minute walk away (entrance - Place Charles Rogier, 1000 Brussels).

'Parking Botanique ' is a 5-minute walk away (entrance - Kruidtuinlaan 29/31 Jardin Botanique 1000 Brussels).

All refunds will be processed and issued within 10 days after the congress.

Liability and insurance

Liability: In the case of government intervention or regulation, military activity, strikes or any other circumstances that make it impossible or inadvisable for the congress to take place at the time and place provided, the participant shall waive any claim for damages or compensation and there shall be no future liability on the part of either party.

Insurance : Registration fees do not include insurance of any kind, nor force majeure or any other reason, nor medical expenses (including sickness and accident cover), nor loss or damage to personal property, nor additional expenses and repatriation should travel arrangements have to be altered. Nor the RBS ENT HNS, nor the congress organizers can take any responsibility for any participant failing to arrange their own insurance.

Procedure van accreditering

Zoals vereist door de RIZIV, wordt de handtekeningenlijst met het oog op accreditering in onmiddellijke aansluiting met de vergadering gecommuniceerd.

Om uw participatie conform aan de by-laws op de website van het RIZIV te laten verschijnen, dient u erop toe te zien dat:

- U de lijst ter plaatse hebt gehandtekend. Een achterna opgesteld attest van betaalde participatie met ontbrekende handtekening geldt wel voor de fiscus maar niet voor het RIZIV
- U heeft voldaan aan de betaling van de organisatorische kosten gebonden aan uw participatie. Dit behelst de betaling van uw lidmaatschap (membership fee) bij de B- ORL van €150/jaar + de registratie (registration fee) aan gereduceerd tarief. De status van uw lidmaatschap kan u nakijken op de welkomspagina van onze website <https://orl-nko.be/nl>. Het gereduceerd tarief krijgt u via een PersonalAnnualReductionCode (PARC), die automatisch gegenereerd wordt na betaling van uw lidmaatschap.
#. Wenst u geen lid te zijn, dan betaalt u een registration fee aan kostprijs ipv het gereduceerd tarief, zijnde een forfaitair bedrag van resp. €330 voor de Spring Meeting.

Bij vragen wordt u verzocht zich te wenden tot het secretariaat van B-ORL.

Procédure d'accréditation

Comme l'exige l'INAMI, la liste des signatures des participants pour l'accréditation est communiquée immédiatement après la réunion.

Pour que votre participation apparaisse sur le site web de l'INAMI conformément au by-laws, vous devriez vous assurer que:

- Vous avez signé la liste sur place. Un certificat de présence payée rédigé à posteriori pour une participation dont la signature manque est valable pour le fisc mais non pour l'INAMI !
- Vous avez payé les frais d'organisation liés à votre participation. Cela inclut le paiement de votre cotisation (membership fee) pour B-ORL de 150€/an + les frais d'inscription (registration fee) au tarif réduit. Le statut de votre cotisation peut être consulté sur la page d'accueil de notre site web <https://orl-nko.be/fr>. Le tarif réduit vous est alloué par un PersonalAnnualReductionCode (PARC), qui est généré automatiquement après paiement de la cotisation.
#. Si vous ne souhaitez pas être membre, vous devrez payer une registration fee au prix coûtant, soit un montant forfaitaire de 330€ pour le Spring Meeting.

Si vous avez des questions, il vous est demandé de contacter le secrétariat de B-ORL.
