

Royal Belgian Society of Oto-Rhino-Laryngology, Head and Neck Surgery

Spring Symposium
16 March 2024
DoubleTree by Hilton Brussels

President: An Boudewyns

Dear Colleagues,

Welcome at the Spring symposium of the Royal Belgian Society of Oto-Rhino-Laryngology and Head and Neck Surgery or B-ORL.

In line with the tradition of the Society, this meeting is a forum for our young ENT colleagues and trainees to share with us their clinical and research activities.

I'm happy to inform you that we received more than 40 high quality abstracts which will be presented either as an oral presentation or poster.

May I encourage you to actively participate in the discussion and give our young colleagues all your attention and support?

During the breaks, please take time to visit our sponsors and connect with your colleagues.

At the end of the day, the best presentations in Rhinology, Otology, Head-Neck/Laryngology, and poster will be awarded.

I wish you a pleasant and interesting meeting!

An Boudewyns
President B-ORL

Abstracts

The abstracts of communications are on-line available at the website of the Society at: www.orl-nko.be.

Information for presenters

We would like to draw your attention to the following points:

- Slides of your presentation must be in English, but the communications can be made either in English, French or Dutch.
- The projection system in the meeting room will include a Personal Computer (PC) along with PowerPoint for Windows and USB port.
- Presentations on USB memory stick must be uploaded in the meeting rooms (Willow or Chestnut) and this at least one hour before the start of the session in which it is scheduled. Room technicians will be available in the meeting room from 08h00.

Lecturer Awards

- The allocated time of presentation should be strictly respected. The presentation may last 10 minutes, allowing 5 minutes discussion.

Free Communications

- The allocated time of presentation should be strictly respected. The presentation may last 10 minutes, allowing 5 minutes discussion.

Poster Award / Free Poster Communications & Poster Display

- The allocated time of presentation should be strictly respected and may not exceed 5 minutes.
- Poster display: - Posters will be displayed in the *Ball Room*
 - Posters should be mounted on Saturday 16 March 2024 (08h30-10h00) and left on display till 16h00.
 - Posters not removed before 16h30 will be considered as paper waste.
- Poster dimensions: The height of the poster boards is 1,50 meter and the width is 0,65 meter (portrait style). Material required to mount posters will be available.

Accreditation

Application for accreditation has been submitted. Participants will receive a certificate of accreditation after signing the attendance register.

Preliminary Programme Overview

	ROOM 1 WILLOW	ROOM 2 CHESTNUT
08:00	Registration - Welcome	
09:00	RBS Lecturer Award in Otology-Audiology 1 & Free Communication	RBS Lecturer Award in Laryngology, Head and Neck Pathology 1
11:00	Coffee break - Poster viewing - Visit of the Exhibition	
11:30	RBS Lecturer Award in Otology-Audiology 2 & Free Communication	RBS Lecturer Award in Laryngology, Head and Neck Pathology 2
12:30		
12:45	Lunch - Poster viewing - Visit of the Exhibition	
13:30	General Assembly of the SRB ORL KBV General Assembly of the Professional Society	
14:30		
14:30	RBS Lecturer Award in Otology-Audiology 3 & Free Communication	RBS Lecturer Award in Rhinology
15:15		
15:20		
15:45	RBS Poster Award	
15:50		
16:05		Free Posters
16:15	Coffee break - Visit of the Exhibition	
16:25	Closing and Award Ceremony	
16:35		

ROOM 1 : WILLOW

09h00-11h00 : RBS Lecturer Award in Otology-Audiology Part 1 & Free communication

Chairs: tba

RBS Lecturer Award in Otology-Audiology Part 1

- 09:00 The effect of (Val)ganciclovir on hearing in children with congenital cytomegalovirus infection: a prospective controlled trial**
E. De Cuyper, F. Acke, A. Keymeulen, E. De Leenheer, H. Van Hoecke, A. Boudewyns, A. Gilles, M. Muylle, R. Kuhweide, L. Royackers, C. Desloovere, M. Verstreken, I. Schatteman, I. Dhooge
Department of Head and Skin, Ghent University, Ghent, Belgium
- 09:15 Neurodevelopmental impact of congenital cytomegalovirus in children with cochlear implants**
M. Reynders¹, K. Kerkhofs², A. Heyndrickx², K. Noerens², I. Foulon^{1,2}
¹ Department of Otorhinolaryngology and Head & Neck Surgery, Vrije Universiteit Brussels, University Hospital UZ Brussel, Brussels, Belgium; ² De Poolster, Rehabilitation Centre, Brussels, Belgium
- 09:30 Effects of childhood hearing loss on the subcortical and cortical representation of speech**
A. Calcus^{1,2,3}, S. Rosen¹
¹ Department of Speech, Hearing and Phonetic Sciences, UCL, , UK; ² Laboratoire des Systèmes Perceptifs, CNRS UMR 8248, École Normale Supérieure, Paris Sciences et Lettres Research University, Paris, France; ³ Center for Research in Cognition & Neurosciences (CRCN), ULB Neuroscience Institute (UNI), Université Libre de Bruxelles (ULB), Brussels, Belgium
- 09:45 Instrumental balance assessment and study of electrophysiological correlates for central processing of vestibular stimuli in elderly people without balance disorders**
Z. Demerdziev, M. Bourguignon, G. Naeije, M. Niesen, M. Damien, N. Senese, P. Coemelck, E. Ravez, J. Meignant, M. Vander Ghinst
Erasmus Hospital HUB, Ear Nose and Throat Department, Brussels, Belgium
- 10:00 Study of the impact of aging on proprioceptive acuity, vestibular function and central processing of proprioceptive data in postural control**
L. Abi-Khalil, M. Hoornaert, S. Mongold, M. Bourguignon, M. Vander Ghinst
ENT department, Erasmus Hospital, Hôpital Universitaire de Bruxelles, Brussels, Belgium and Laboratory of Neurophysiology and Movement Biomechanics Université Libre de Bruxelles, Brussels, Belgium
- 10:15 Feasibility of Virtual Reality to induce and measure optokinetic after-nystagmus (OKAN) in healthy patients**
M. Reynders¹, L. Van Der Sypt¹, J. Bos², V. Topsakal¹
¹ENT departement, Vrije Universiteit Brussel, Hospital UZ Brussel, Brussels Health Campus, Belgium;
²Departement of Human Movement Sciences, Vrije Universiteit Amsterdam, the Netherlands
- 10:30 Intratympanic cholesteatoma : case report and a review of the current literature**
S. VanProoyen, C. Kieffer
Clinique Saint Jean, Bruxelles, Belgium

Free Communication

10:45 Biological treatments for eosinophilic otitis media: our experience at CHU Liège

M. Czajkowski, F. Rogister, P. Lefebvre
CHU Sart-Tilman, Liège, Belgium

11:00 – 11:30 Coffee break, poster viewing and visit of exhibitors

11h30-12h45 : RBS Lecturer Award in Otology-Audiology Part 2 & Free communication

Chairs: tba

RBS Lecturer Award in Otology-Audiology Part 2

11:30 Steps toward the first case of fully robotic cochlear implant surgery

J. Abari¹, P. Van de Heyning², V. Topsakal¹

¹Department of Otorhinolaryngology, Head and Neck Surgery, University Hospital UZ Brussel, Vrije Universiteit Brussel, Brussels, Belgium; ²Department of Otorhinolaryngology, Head and Neck Surgery, Antwerp University Hospital, University of Antwerp, Antwerp, Belgium

11:45 Cognitive improvement up to 4 years after cochlear implantation in older adults: a prospective longitudinal study using the RBANS-H

T. Vandenbroeke, E. Andries, M. J. Lammers, P. Van de Heyning, A. Hofkens-Van den Brandt, O. Vanderveken, V. Van Rompaey, G. Mertens

Department of Otorhinolaryngology, Head and Neck Surgery, Antwerp University Hospital (UZA), Edegem; Resonant labs Antwerp, Dept. of Translational Neurosciences, Faculty of Medicine and Health Sciences, University of Antwerp, Antwerp, Belgium

12:00 Exploring the impact of auditory, visual, and cognitive abilities on cochlear implant outcome

D. Ceuleers¹, H. Keppler^{2,3}, N. Baudonck², F. Swinnen², K. Kestens³, I. Dhooge^{1,2}

¹Department of Head and Skin, Ghent University, Ghent, Belgium; ²Department of Otorhinolaryngology, Ghent University Hospital, Ghent, Belgium; ³Department of Rehabilitation Sciences, Ghent University, Ghent, Belgium

12:15 The effect of auditory stimulation through hearing aids on tinnitus in high-frequencies hearing loss: a retrospective study

V. Van Kelecom^{1,2}, K. Kheirkhah¹, V. Verhaegen³, M. Leblans¹, J. van Dinther¹, G. De Greve¹, E. Offeciers¹, A. Zarowski¹

¹European Institute for Otorhinolaryngology, Antwerp, Belgium; ²University of Ghent, Ghent, Belgium; ³Hoorcentrum Melakos, Antwerp, Belgium

Free Communication

12:30 Multidisciplinary follow-up of a hearing impaired children cohort: language development and particular focus on the age rehabilitation started.

B. Devroede^{1,2}, R. Ciardelli¹, I. Courtmans¹, C. Laurent³, C. Ligny¹

¹Centre Comprendre et Parler, Brussels, Belgium, ²ENT Department HUB-Queen Fabiola University Children's Hospital, Brussels, Belgium, ³ENT Department HUB-Erasme Hospital, Brussels, Belgium

12:35 – 13:30 Lunch - Poster viewing and visit of exhibitors

ROOM 2 : CHESTNUT

09h00-11h00 : RBS Lecturer Award in Laryngology, Head and Neck Pathology Part 1

Chairs: tba

RBS Lecturer Award in Laryngology, Head and Neck Pathology Part 1

09:00 Cricotracheal resection for subglottic stenosis: complications and outcomes

J. Meulemans, L. Mouqni

UZ Leuven, KULeuven, Leuven, Belgium

09:15 Treatment of hyoid bone syndrome with surgical excision: our monocentric experience in the past five years

J. Mortier, S. Mariën

University Hospital of Antwerp, Edegem, Belgium

09:30 Holmium:YAG laser-assisted sialolithotripsy in the management of submandibular and parotid sialolithiasis: indications, procedure and outcomes

L. Mathot, S. Van der Vorst, G. Delahaut, O. Desgain, S. Hassid, M. Hoste, V. Bachy

Department of Otorhinolaryngology and Head and Neck Surgery, CHU UCL Namur, Yvoir, Belgium

09:45 Endoscopic posterior cricoid split and costal cartilage graft insertion in children with posterior glottic stenosis

H. Oscé, G. Hens, J. Meulemans

UZ Leuven, Belgium

10:00 Case report and review of the different types of laryngeal and pharyngeal vascular malformations and their management

V. Moens, S. Van Prooyen, D. Moens

Clinique Saint Jean, Bruxelles, Belgium

10:15 Observation of the temporal dynamics of the initiation of the pharyngeal phase of swallowing: correlation of FEES and sEMG measurements in a group of healthy subjects

C. Waldbillig¹, M. Bourguignon², JS. Lecat, M³. Vander Ghinst¹, N. Roper¹

¹ *Université Libre de Bruxelles (ULB), Hôpital Universitaire de Bruxelles (HUB), CUB Hôpital Erasme, service d'ORL, Belgium;* ² *Faculté des sciences de la motricité, Belgium;* ³ *HELORA Site Jolimont, Belgium*

10:30 Modern management of unilateral vocal fold paralysis: how we do it

E. Lavrysen, O. Peetermans, K. Deben, S. Janssens de Varebeke, O. Vanderveken, G. Desuter

Jessa Hospital, Hasselt, Belgium; Antwerp University Hospital, Antwerp, Belgium

10:45 Salivary analysis of gastro-pancreatic-duodenal enzymes as potential biomarkers for laryngopharyngeal reflux: a prospective study

M. El Ayoubi, A. Rodriguez, D. Dequanter, M. Verhasselt, S. Saussez, J. Lechien

Saint-Pierre University Hospital, ENT and head and neck surgery department, Brussels, Belgium

11:00 – 11:30 Coffee break, poster viewing and visit of exhibitors

11h30-12h30 : RBS Lecturer Award in Laryngology, Head and Neck Pathology Part 2

Chairs: tba

RBS Lecturer Award in Laryngology, Head and Neck Pathology Part 2

11:30 Role of upper airway evaluation in the multidisciplinary management of obstructive sleep apnea in children below two years of age

H. Blancke, C. Platteau, E. Slosse, S. Verhulst, S. Installé, N. Jouret, K. Van Hoorenbeeck, A. Boudewyns

University of Antwerp Belgium (Faculty of Medicine and Health Sciences, Faculty of Medicine and Translational Neurosciences), Antwerp University Hospital Belgium (Department of Pediatrics and Otorhinolaryngology, Head and Neck Surgery)

11:45 A strategic approach to the management of sleep disordered breathing in multiple system atrophy

A. Laga¹, F. Bauters^{1,2}, K. Hertergonne^{1,2}, P. Tomassen^{1,3}, P. Santens^{1,4}, C. Kastoer^{1,3}

¹Ghent University, Belgium; ²Department of Pneumology, Department of Otorhinolaryngology, Head and Neck Surgery, ⁴Department of Neurology, Ghent University Hospital, Ghent, Belgium

12:00 The effect of supraglottoplasty on OSA severity in children with sleep-dependent laryngomalacia

A. Boudewyns, M. Jansen, X. Vanaken

Antwerp University Hospital, Edegem, Antwerp, Belgium

12:15 Acetazolamide as add-on therapy following barbed reposition pharyngoplasty in obstructive sleep apnea: a randomized controlled trial

S. Hellemans^{1,2}, E. Van De Perck^{1,2}, D. Van Loo², J. Verbraecken^{1,3}, SA. Sands⁴, A. Azarbarzin⁴, M. Dieltjens^{1,2}, S. Op de Beeck¹, A. Vroegop^{1,2}, O.M. Vanderveken^{1,2,3}

¹ Faculty of Medicine and Health Sciences, University of Antwerp; ² ENT, Head and Neck Surgery, ³ Multidisciplinary Sleep Disorders Centre, Antwerp University Hospital, Edegem, Belgium; ⁴ Brigham and Women's Hospital, Harvard Medical School, USA

(12:30 – 12:45 Deliberation RBS Lecturer Award in Laryngology, Head and Neck Pathology)

12:30 – 13:30 Lunch - Poster viewing and visit of exhibitors

ROOM 1 : WILLOW

13h30 – 14h30 : General Assembly SRB ORL KBV

General Assembly Beroepsvereniging/ Union Professionnelle

General Assembly SRB ORL KBV

Dagorde van de Algemene Vergadering van 16 maart 2024

Dagorde van de Algemene Vergadering van 16 maart 2024

Ordre du jour de l'Assemblée Générale du 16 mars 2024

1. Toespraak van de voorzitter / Allocution du président: *Thibert Robillard*
2. Verslag van de secretaris / Rapport du secrétaire: *Rupal Mehta*
3. Verslag van de penningmeester / Rapport du trésorier: *Patrick Levie*

ROOM 1 : WILLOW

14h30-15h15 : RBS Lecturer Award in Otology-Audiology Part 3 & Free communication

Chairs: tba

RBS Lecturer Award in Otology-Audiology Part 3

14:30 Cochlear implant for single sided deafness: the importance of a limited frequency-to-place mismatch

F. Radermecker, G. Gersdorff, P.P. Lefebvre

Dept. of otorhinolaryngology, Centre hospitalier universitaire (CHU) de Liège, Liège, Belgium

14:45 Effective management of intraoperative gusher during stapedotomy : a case report. Could minor syndrome trigger gusher ?

V. Dehareng, P. Levie, N. Deggouj

St-Anne St-Remi Clinic, CHIREC, Brussels, Belgium

Free Communication

15:00 Pulsatile tinnitus and idiopathic intracranial hypertension: vascular causes, interventional neuroradiology management, implications for the otolaryngologist and case reports

A. Guenego^{1,2,3}, B. Lubicz¹

¹ Interventional Neuroradiology Department, ² Diagnostic Neuroradiology Department, Hôpital Universitaire Erasme – ULB, Bruxelles ; ³ NeuroVascu lab Brussels, Belgium

(15:20 – 15:35

Deliberation RBS Lecturer Award in Otology-Audiology – lobby hotel)

15h20-16h05 : RBS Poster Award & Free Posters

Chairs: tba

RBS Poster Award

15:20 Could H.I.N.T.S. misdirect the management of acute vestibular syndrome?

S. Benmechri, S. Tainmont, J-P. Duterme, Q. Mat

CHU Charleroi- Chimay HUMANI, ULB, Belgium

15:25 Staphylococcus Epidermidis isolated sphenoiditis: a rare cause of orbital apex syndrome

G. Fayad, G. Cavelier, M. Verhasselt, A. Rodriguez, M. Horoi

Department of Otolaryngology, CHU Saint-Pierre, Brussels

15:30 Thrombophlebitis of internal jugular vein and occlusion of the internal carotid artery due to apical petrositis: a case report

N. Bouzraa, A. De Stercke, G. Fayad, G. Cavelier, C. Leclercq, M. Horoi

Department of Otolaryngology & Head and Neck Surgery, CHU Saint-Pierre, Brussels, Belgium

15:35 Laryngeal mucocutaneous leishmaniasis: case report and literature review

E. Verhoeven, J. Verfaillie, D. Vogelaers

AZ delta Roeselare, KU Leuven, UZ Gent, Belgium

15:40 Laryngocele: a cause of acute dyspnea - Case report

D. Van den Hende

Department of Otolaryngology, Head and Neck Surgery, Algemeen Stedelijk Ziekenhuis Aalst, Aalst, Belgium

15:45 Case report: first endoscopic placement of an allograft tympano-ossicular system in a patient

D. Philips, V. Topsakal

Universitair Ziekenhuis Brussel, Vrije Universiteit Brussel, Belgium

15:50 Difference in characteristics between tinnitus patients with and without hyperacusis depending on three different definitions of hyperacusis

K. Rycek, H. Keppler, A. Deklerck, I. Dhooge

Department of Otorhinolaryngology, Ghent University Hospital, Belgium

15:55 Tinnitus suppression with electrical stimulation in the most basal contact of the cochlear implant electrode as a model for round window stimulation

16:10 Interplay between *Enterobius Vermicularis* infection and allergic rhinitis: a case report with literature review

G. Fayad, G. Cavelier, M. Verhasselt, A. Rodriguez, M. Horoi

Department of Otolaryngology, CHU Saint-Pierre, Brussels, Brussels

16:15 Coffee break and visit of exhibitors

BALL ROOM

16h25– 16h35 : Closing and Award ceremony

Venue

The Spring Meeting 2024 of the Royal Belgian Society of Oto-Rhino-Laryngology, Head and Neck Surgery will take place on 16 March at the DoubleTree by Hilton Brussels, Brussels, Belgium.

Address: DoubleTree by Hilton Brussels
Rue Gineste 3
1210 Brussels

How to reach the DoubleTree Hotel ?

This hotel is located between the Botanical Gardens (Kruidtuin/Botanique) and the Rogier square (Place Rogier/Rogierplein), and easily accessible by public transport or by car.

By Public transportation:

Although Brussel Noord/Gare du Nord is the closest train station, being a 6-minute walk from the hotel we recommend Brussels Central train station, which is a 19-minute walk. Leave Brussels Central train Station in the Northeast direction on Cantersteen toward Rue Ravenstein. Turn left onto Rue de Loxum, turn right onto Bd De Berlaimont. Take the 3rd exit onto Bd Pachéco at the roundabout. After 250 m turn left onto Bd du Jardin Botanique. Turn right onto Rue Gineste.

By Car:

Because the hotel is situated on the Brussels inner Ring, so it is very easily accessible by car. When entering Brussels follow Direction: "Brussels Centre", exit Botanical Gardens/Jardins Botaniques/Kruidtuin. You will find the hotel situated between the Botanical Gardens and Place Rogier.

Parking facilities:

There are 5 public parking spaces in the immediate area, of which the Parking Rogier and Parking Botanique are the closest.

'Parking Rogier' is a 2-minute walk away (entrance - Place Charles Rogier, 1000 Brussels).

'Parking Botanique ' is a 5-minute walk away (entrance - Kruidtuinlaan 29/31 Jardin Botanique 1000 Brussels).

Registration Information

On-line registration at: <http://www.orl-nko.be>

Registration fees

The registration fees include access to the sessions and technical exhibition, delegate materials, day catering (coffee breaks and lunch). Your personal badge will be your entrance ticket to all sessions and the exhibition.

	<u>Early registration</u>	<u>Late registration & payment (as from 8 March)</u>
<u>Medical doctor</u>		
• Member RBS ENT HNS	€ 105,00	€ 130,00
• Non-member RBS ENT	€ 330,00	€ 355,00
<u>MD in Residence</u>	€ 90,00	€ 110,00
<u>Paramedical</u>	€ 105,00	€ 130,00
<u>Student</u>	€ 90,00	€ 110,00

Cancellation of registration

In the event of cancellation, written notification should be sent to the Organizing Secretariat (Semico) by fax: 09 233 85 97 or email: orl@semico.be

The following cancellation fees will apply:

- Till 8 March 2024: 50% refund; as of 10 March or if the participant fails to attend: no refund. All refunds will be processed and issued within 10 days after the congress.

Liability and insurance

Liability: In the case of government intervention or regulation, military activity, strikes or any other circumstances that make it impossible or inadvisable for the congress to take place at the time and place provided, the participant shall waive any claim for damages or compensation and there shall be no future liability on the part of either party.

Insurance : Registration fees do not include insurance of any kind, nor force majeure or any other reason, nor medical expenses (including sickness and accident cover), nor loss or damage to personal property, nor additional expenses and repatriation should travel arrangements have to be altered. Nor the RBS ENT HNS, nor the congress organizers can take any responsibility for any participant failing to arrange their own insurance.

Procedure van accreditering

Zoals vereist door de RIZIV, wordt de handtekeningenlijst met het oog op accreditering in onmiddellijke aansluiting met de vergadering gecommuniceerd.

Om uw participatie conform aan de by-laws op de website van het RIZIV te laten verschijnen, dient u erop toe te zien dat:

- U de lijst ter plaatse hebt gehandtekend. Een achterna opgesteld attest van betaalde participatie met ontbrekende handtekening geldt wel voor de fiscus maar niet voor het RIZIV!
- U heeft voldaan aan de betaling van de organisatorische kosten gebonden aan uw participatie. Dit behelst de betaling van uw lidmaatschap (membership fee) bij de B- ORL van €150/jaar + de registratie (registration fee) aan gereduceerd tarief. De status van uw lidmaatschap kan u nakijken op de welkomspagina van onze website <https://orl-nko.be/nl>. Het gereduceerd tarief krijgt u via een PersonalAnnualReductionCode (PARC), die automatisch gegenereerd wordt na betaling van uw lidmaatschap.
- Wenst u geen lid te zijn, dan betaalt u een registration fee aan kostprijs ipv het gereduceerd tarief, zijnde een forfaitair bedrag van resp. €330 voor de Spring Meeting.

Procédure d'accréditation

Comme l'exige l'INAMI, la liste des signatures des participants pour l'accréditation est communiquée immédiatement après la réunion.

Pour que votre participation apparaisse sur le site web de l'INAMI conformément au by-laws, vous devriez vous assurer que:

- Vous avez signé la liste sur place. Un certificat de présence payée rédigé à posteriori pour une participation dont la signature manque est valable pour le fisc mais non pour l'INAMI !
- Vous avez payé les frais d'organisation liés à votre participation. Cela inclut le paiement de votre cotisation (membership fee) pour B-ORL de 150€/an + les frais d'inscription (registration fee) au tarif réduit. Le statut de votre cotisation peut être consulté sur la page d'accueil de notre site web <https://orl-nko.be/fr>. Le tarif réduit vous est alloué par un PersonalAnnualReductionCode (PARC), qui est généré automatiquement après paiement de la cotisation.
- Si vous ne souhaitez pas être membre, vous devrez payer une registration fee au prix coûtant, soit un montant forfaitaire de 330€ pour le Spring Meeting.
