Spring Meeting

15 March 2025

Hotel Mix Brussels

President: Patrick Levie

RBS Poster Award

RBS Lecturer Award in Rhinology

RBS Lecturer Award in Otology-Audiology

RBS Lecturer Award in Laryngology, Head and Neck Pathology

Dear Colleagues,

The Spring Meeting of B-ORL will take place on Saturday 15 March 2025 at the Mix Hotel - Brussels , a particularly pleasant setting.

As always, this congress is an opportunity for our young colleagues to present their recent scientific research. This year, we are innovating with competitions, games and intergenerational activities, such as a dance party at the end of the day to encourage intergenerational exchange. It is crucial that each graduate realises that he or she must not only continue to learn, but also start passing on and ensuring the continuity of knowledge now. The General Assembly will also host a practical workshop with VA-NKO for assistants.

As a father of young doctors who have recently graduated or are in training, I want to make young NKO doctors aware of the importance of participating in scientific and professional activities, not only as spectators but also as players. It is essential to encourage the new generation to get involved in the different organisational levels of our specialty and to encourage young graduates, who often stay away from congresses for a few years, to actively participate.

I wish you a pleasant and interesting meeting, rich in personal, professional experiences.

Kind regards,

Patrick Levie
President B-ORL

Accreditation

Procedure van accreditering

Zoals vereist door de RIZIV, wordt de handtekeningenlijst met het oog op accreditering in onmiddellijke aansluiting met de vergadering gecommuniceerd.

Om uw participatie conform aan de by-laws op de website van het RIZIV te laten verschijnen, dient u erop toe te zien dat:

- U de lijst ter plaatse hebt gehandtekend. Een achterna opgesteld attest van betaalde participatie met ontbrekende handtekening geldt wel voor de fiscus maar niet voor het RIZIV!
- U heeft voldaan aan de betaling van de organisatorische kosten gebonden aan uw participatie. Dit behelst de betaling van uw lidmaatschap (membership fee) bij de B- ORL van €195/jaar + de registratie (registration fee) aan gereduceerd tarief. De status van uw lidmaatschap kan u nakijken op de welkomspagina van onze website <https://orl-nko.be/nl>. Het gereduceerd tarief krijgt u via een PersonalAnnualReductionCode (PARC), die automatisch gegenereerd wordt na betaling van uw lidmaatschap.
- Wenst u geen lid te zijn, dan betaalt u een registration fee aan kostprijs ipv het gereduceerd tarief, zijnde een forfaitair bedrag van resp. €330 voor de Spring Meeting.

Procédure d'accréditation

Comme l'exige l'INAMI, la liste des signatures des participants pour l'accréditation est communiquée immédiatement après la réunion.

Pour que votre participation apparaisse sur le site web de l'INAMI conformément au by-laws, vous devriez vous assurer que:

- Vous avez signé la liste sur place. Un certificat de présence payée rédigé à posteriori pour une participation dont la signature manque est valable pour le fisc mais non pour l'INAMI !
- Vous avez payé les frais d'organisation liés à votre participation. Cela inclut le paiement de votre cotisation (membership fee) pour B-ORL de 195€/an + les frais d'inscription (registration fee) au tarif réduit. Le statut de votre cotisation peut être consulté sur la page d'accueil de notre site web <https://orl-nko.be/fr>. Le tarif réduit vous est alloué par un PersonalAnnualReductionCode (PARC), qui est généré automatiquement après paiement de la cotisation.
- Si vous ne souhaitez pas être membre, vous devrez payer une registration fee au prix coûtant, soit un montant forfaitaire de 330€ pour le Spring Meeting.

On-line registration at: <http://www.ori-nko.be>

Registration fees

The registration fees include access to the sessions and technical exhibition, delegate materials, day catering (coffee breaks and lunch). Your personal badge will be your entrance ticket to all sessions and the exhibition.
