**RBS Lecturer Award in Laryngology, Head and Neck Pathology**

**Temporal Bone Contest**

Dear Colleagues and dear Friends,

The Spring Meeting of B-ORL - the Royal Belgian Society for Otorhinolaryngology and Head and Neck Surgery - will take place on Saturday 14 March 2026 in the Mix Hotel - Brussels, a particularly pleasant and stimulating setting.

There, we continue our tradition to offer a forum for special clinical experiences that merit public discussion as well as for presentation of the cutting-edge research performed by our Belgian teams. We have received an absolute maximum of almost 80 (!!!) high quality abstracts which will be presented either as an oral presentation or poster. This gives us, as Board of B-ORL, great joy, because this reflects the high activity, passion, and teamwork of the Belgian ENT-HN surgeons.

I would really like to encourage you to actively and constructively participate in the discussion and give our young colleagues all your attention and support! It is so important for those doing all the extra efforts to make progress for our patients, to feel stimulated and supported by you all.

During the breaks, please take time to visit our sponsors and connect with your colleagues.

Please stay also for the "moment suprême", at the end of the day, where the best presentations in Rhinology, Otology, Head-Neck/Laryngology and Posters as well as the best in the Temporal bone contest will be awarded, in each other's company and with a nice drink at the bar.

I wish you a pleasant and interesting meeting!

Kind regards,

Vincent Vander Poorten  
President B-ORL 2026

#### Parking facilities:

We have access to the main parking garage of the complex through the main entrance at no. 25 Boulevard du Souverain. Take the left most entrance marked with "visitors". Once in the parking garage the entrance to the venue is situated in the far left corner. The congress rooms are situated on the first floor. The parking is paying, you can validate your parking ticket at the entrance of the parking space.

## Accreditation

### Procedure van accreditering

Zoals vereist door de RIZIV, wordt de handtekeningenlijst met het oog op accreditering in onmiddellijke aansluiting met de vergadering gecommuniceerd.

***Om uw participatie conform aan de by-laws op de website van het RIZIV te laten verschijnen, dient u erop toe te zien dat:***

- U de lijst ter plaatse hebt gehandtekend. Een achterna opgesteld attest van betaalde participatie met ontbrekende handtekening geldt wel voor de fiscus maar niet voor het RIZIV!
- U heeft voldaan aan de betaling van de organisatorische kosten gebonden aan uw participatie. Dit behelst de betaling van uw lidmaatschap (membership fee) + de registratie (registration fee) aan gereduceerd tarief. De status van uw lidmaatschap kan u nakijken op de welkomspagina van onze website <https://orl-nko.be/nl>.
- Wenst u geen lid te zijn, dan betaalt u een registration fee aan kostprijs ipv het gereduceerd tarief, zijnde een forfaitair bedrag van resp. €330 voor de Spring Meeting.

### Procédure d'accréditation

Comme l'exige l'INAMI, la liste des signatures des participants pour l'accréditation est communiquée immédiatement après la réunion.

***Pour que votre participation apparaisse sur le site web de l'INAMI conformément au by-laws, vous devriez vous assurer que:***

- Vous avez signé la liste sur place. Un certificat de présence payée rédigé à posteriori pour une participation dont la signature manque est valable pour le fisc mais non pour l'INAMI !
- Vous avez payé les frais d'organisation liés à votre participation. Cela inclut le paiement de votre cotisation (membership fee) + les frais d'inscription (registration fee) au tarif réduit. Le statut de votre cotisation peut être consulté sur la page d'accueil de notre site web <https://orl-nko.be/fr>.
- Si vous ne souhaitez pas être membre, vous devrez payer une registration fee au prix coûtant, soit un montant forfaitaire de 330€ pour le Spring Meeting.

On-line registration at: <http://www.ori-nko.be>

### Registration fees

The registration fees include access to the sessions and technical exhibition, delegate materials, day catering (coffee breaks and lunch). Your personal badge will be your entrance ticket to all sessions and the exhibition.

### Cancellation of registration

In the event of cancellation, written notification should be sent to the Organizing Secretariat (Semico) by email: [ori@semico.be](mailto:ori@semico.be).

The following cancellation fees will apply:

- Till 7 March 2026: 50% refund; as of 8 March or if the participant fails to attend: no refund. All refunds will be processed and issued within 10 days after the meeting.

### Liability and insurance

**Liability:** In the case of government intervention or regulation, military activity, strikes or any other circumstances that make it impossible or inadvisable for the congress to take place at the time and place provided, the participant shall waive any claim for damages or compensation and there shall be no future liability on the part of either party.

**Insurance :** Registration fees do not include insurance of any kind, nor force majeure or any other reason, nor medical expenses (including sickness and accident cover), nor loss or damage to personal property, nor additional expenses and repatriation should travel arrangements have to be altered. Nor the RBS ENT HNS, nor the congress organizers can take any responsibility for any participant failing to arrange their own insurance.
