**Spring Symposium
3 March 2018**

**Palace of Academies
Brussels**

President: Frank Declau

RBS Poster Award

RBS Temporal Bone Contest

RBS Lecturer Award in Rhinology

RBS Lecturer Award in Otology-Audiology

RBS Lecturer Award in Laryngology, Head and Neck Pathology

Dear Colleagues,

It is my honor and pleasure to invite you to the Spring Meeting of the Royal Belgian Society of Oto-Rhino-Laryngology, Head and Neck Surgery that will take place in Brussels on March 3, 2018.

Our specialty is still in full expansion as proven by the overwhelming scientific input for this meeting. More than 60 abstracts were submitted, testifying the active scientific interest in many ENT departments in Belgium. All aspects of our specialty will be discussed: otology & audiology, rhinology, laryngology and head & neck surgery.

According to annual custom, the best abstracts will be awarded by the Society. Concurrently with the Spring meeting, also a temporal bone contest has been held of which the best two will be awarded. These awards are also an incentive for our younger colleagues to continue with their scientific research.

I am confident that this meeting will improve our expertise and knowledge in our specialty. This scientific background information will maximize our success rates and will benefit our patients.

I am looking forward to this interesting and productive meeting.

Frank Declau, MD, PhD
RBS ORL President

Abstracts

The abstracts of communications are on-line available at the website of the Society at: www.orl-nko.be.

Information for presenters

We would like to draw your attention to the following points:

- Slides of your presentation must be in English but the communications can be made either in English, French or Dutch.
- The projection system in the meeting room will include a Personal Computer (PC) along with PowerPoint for Windows and USB port.
- Presentations on USB memory stick must be uploaded in the meeting rooms (Marble room or Auditorium) and this at least one hour before the start of the session in which it is scheduled. Room technicians will be available in the meeting room from 08h00.

Lecturer awards

- The allocated time of presentation should be strictly respected and may not exceed 11 minutes. The presentation should take 9 minutes and the discussion 2 minutes.

Free Communications

- The allocated time of presentation should be strictly respected and may not exceed 11 minutes. The presentation should take 9 minutes and the discussion 2 minutes.

Poster award communications & Poster display

- Your presentation should contain a maximum of 5 slides.
- The allocated time of presentation should be strictly respected and may not exceed 4 minutes.
- Poster display:
 - Posters will be displayed in the *Atrium*
 - Posters should be mounted on Saturday 3 March 2018 (08h30-10h00) and left on display till 16h00.
 - Posters not removed before 17h30 will be considered as paper waste.
- Poster dimensions: The height of the poster boards is 1,50 meter and the width is 0,65 meter (portrait style). Materials required to mount posters will be available.

Accreditation

Application for accreditation has been submitted. Participants will receive a certificate of accreditation after signing the attendance register.

AUDITORIUM

8h30-10h06

RBS Lecturer Award in Otology-Audiology
PART I
Free Communications in Otology - Audiology

RBS Lecturer Award in Otology-Audiology

- 08.30 Full spectrum of symptoms of bilateral vestibulopathy needs further investigation – systematic review**
A F. Lucieer, S. Duijn, H. Kingma, V. Van Rompaey, A. P. Fornos, N. Guinand, J. Ph. Guyot, M. van Hoof, R. van de Berg
Department of Otorhinolaryngology and Head and Neck Surgery, Division of Balance Disorders, Maastricht University Medical Center, Maastricht, Netherlands
- 08.42 Vestibular function and motor performance in infants**
C. Dhondt, L. Maes, I. Dhooge
Department of Ear Nose Throat, Ghent University, Ghent
- 08.54 Twenty-two years of benign paroxysmal positional vertigo at Sint-Jan Hospital Bruges: a retrospective analysis of 3785 patients**
S. Vandenbroeck, A.-S. Vinck, B. Lerut
Department of Otorhinolaryngology, Head and Neck Surgery, Sint-Jan Hospital, Bruges
- 09.06 Impact of bilateral vestibulopathy on spatial and non-spatial cognition: a systematic review**
B. Dobbels, O. Peetermans, B. Boon, G. Mertens, P. Van de Heyning, V. Van Rompaey
Department of Otorhinolaryngology & Head and Neck Surgery, Antwerp University Hospital, Antwerp
- 09.18 On the effect of noisy galvanic vestibular stimulation on dynamic visual acuity in bilateral vestibulopathy**
N. Herssens, W. Saeys, L. Vereeck, B. Dobbels, V. Van Rompaey, A. Hallemans
Department of Rehabilitation Sciences and Physiotherapy, Faculty of Medicine and Health Sciences, University of Antwerp, Antwerp
- 09.30 Machine learning can distinguish inner ears affected by Ménière's disease from healthy controls**
M.C.J. de Wit, M. van Hoof, E.L. van den Burg, H. Kingma, A.A. Postma, A.M.L. Janssen, M. Bilderbeek-Beckers, A. Laurent, E. Theunissen, P. Dammeijer, V. Van Rompaey, Tj. D. Bruintjes, R. van de Berg
Department of Otorhinolaryngology and Head and Neck Surgery, Maastricht University Medical Center, Maastricht, The Netherlands

09.42 On the symptomatology, MRI characteristics and management in a large cohort of vestibular schwannoma patients

E. Greant, B. Ihtijarevic, T. Menovsky, P. Van de Heyning, V. Van Rompaey

Department of Otorhinolaryngology & Head and Neck Surgery, Antwerp University Hospital, Antwerp

Free Communication in Otology - Audiology

09.54 Altered circadian locomotor activity after acute otovestibular failure in rodents

V. Van Rompaey, S. Missault, K. Szewczyk, P. Van de Heyning, P. De Deyn, D. Van Dam

Faculty of Medicine and Health Sciences, University of Antwerp, Antwerp

10.06 Coffee break - Poster viewing - Visiting the booths of the exhibitors

**RBS Lecturer Award in Otology-Audiology
PART II****RBS Lecturer Award in Otology-Audiology**

- 10.36 CO₂ laser myringotomy efficacy in adults with otitis media with effusion: a 5-year retrospective study**
M. Verhasselt, P. Bisschop, H. Kabtouri
Department of Otorhinolaryngology, Brugmann University Hospital, Brussels
- 10.48 Facial Nerve Schwannomas: a multicenter experience of 20 cases**
E. Loos, S. Schmerber, B. De Foer, J. W. Casselman, A. Bernaerts, Y. Maryn, R. Vanspauwen, E. Offeciers, J. Van Dinther, A. Zarowski, T. Somers
Department of ENT-HNS, European Institute for Otorhinolaryngology-Head and Neck Surgery and Skull Base Surgery, Sint Augustinus Hospital, GZA, Antwerp
- 11.00 Long-term follow-up of the Chorda Tympani function after middle ear surgery**
M. Claerhout, P.J. Leupe, N. Verhaert, C. Desloovere
Department of Oto-Rhino-Laryngology, Head and Neck surgery, KU Leuven, Leuven
- 11.12 Stapes surgery for otosclerosis in patients presenting with mixed hearing loss**
D. Thys, C. Salmon, S. Barriat, P.P. Lefebvre
Department of Otorhinolaryngology, University of Liège, Liège
- 11.24 Why is it useful to test the audiovisual integration in deaf patients?**
J. Wathour, E. Nyssen, C. Mullender, M. Decat, N. Deggouj
Saint-Luc University Hospital, Brussels
- 11.36 Audiometric findings in elderly of 80 years and older and the potential link between audiometric parameters and cognition**
K. De Raedemaeker, I. Foulon, F. Gordts
ENT department of the University Hospital of the Vrije Universiteit Brussel, Brussels
- 11.48 Auditory functional connectivity in King Kopetzki patients: A prospective and controlled magnetoencephalographic study**
C. Ducène, V. Wens, M. Bourguignon, B. Marty, X. De Tiège, M. Vander Ghinst
ENT department, CHU Saint-Pierre, ULB, Brussels
- 12.00 School performance of early implanted children with cochlear implants in mainstream education in Flanders**
S. Krijger, P. Govaerts, I. Dhooge
Department of Otorhinolaryngology, Ghent University, Ghent
- 12.12 Deliberations for the Lecturer Award in Otology-Audiology**
- 12.12 Lunch - Poster viewing - Visiting the booths of the exhibitors**

Venue

The Spring Meeting 2018 of the Royal Belgian Society of Oto-Rhino-Laryngology, Head and Neck Surgery will take place on March 3, 2018 at the Palace of Academies, Brussels, Belgium.

Address: Palace of Academies
Rue Ducale 1, Hertogsstraat 1
1000 Brussels

Please note: Parking of the Palace of Academies: Boulevard du Régent / Regentlaan

How to reach the Palace of Academies

By public transportation:

By train to Brussels Central Station

On foot from Brussels Central Station to the Academy Palace (10 minutes):
Ravenstein Gallery, Ravenstein street, Baron Horta street, Brussels Park, Ducale street

By subway

Subway station Trône, exit 3, Montoyer street ; cross the Boulevard du Régent

- **From Central Station:**
Line 1 (direction Stockel) or 5 (direction Hermann-Debroux) to Arts-Loi (2 stops), there take line 2 or 6 (direction Simonis-Leopold II) to Trône (1 stop).

By car:

Drive to the city centre. Follow the inner ring road clockwise towards Wetstraat, then take the side-road of the Régent boulevard.

Parkings

- Parking 2 Portes
Boulevard de Waterloo 2a, 1000 Brussels
- Parking Loi
Rue de la Loi 19, 1040 Brussels
